DISCUSSION

AUSDANCE NATIONAL COVID-19 IMPACT SURVEY FOR THE DANCE SECTOR.

- This survey provides picture of the immediate and medium-term needs of dance professionals in order to develop sector-specific responses to the impact of COVID-19.
- Ausdance is collecting state and national data to support you and drive appropriate government responses to specific needs.

UPDATE FROM AUDANCE VIC.

- The network is communicating daily with other peak bodies and government and is getting a lot of traction.
- Head to our websites for more information. [VICTORIA](#).
- We are developing a list of online and hard resources for schools.
