

LIFT | ELITE DANCER ENRICHMENT PROGRAM

LIFT is a new dance education offering from Ausdance VIC, funded through the [Victorian Challenge and Enrichment Series](#). Designed as an opportunity to challenge high-ability students, the industry-leading program is jam packed with intensive dance workshops, dance making days and career support. Each day is held in a professional dance studio and the programs are led by renowned industry experts, choreographers, artists and leaders.

Learning Outcomes

- Develop audition techniques
- Explore creative arts career and education pathways
- Learn new choreographic and improvisation skills
- Extended knowledge of how to work with others in the creative arts industry
- Learn to effectively collaborate in the creative process
- Develop movement skills for performance
- Extended expertise in dance techniques

Program Outline

The program has a strong focus on building performance confidence, improvisation skills and choreographic development.

3 x Industry Days

- 2 x 75 min dance workshops
- Mini industry expo
- Mock auditions (simulated audition process and casting brief)
- Performance showcase
- Industry panel

Entry Requirements

Nominated students must:
