

Curriculum Based Dance Incursions

Dance isn't just about learning choreography and performing like a pro. It should be fun, stimulating and exploratory with students discovering their creative capacity as dance makers!

Supercharged! brings highly experienced, specialist dance teachers to your school. Students will engage with safe dance experiences, games, learn sequences and express their creativity. Each session culminates in the co-creation of a short dance piece focussed on superpowers.

Expert teaching artists will have your students popping with excitement and enthusiasm in sessions aligned to the Victorian Curriculum. The program has been developed in partnership with DET.

Key Information

- Boost students' physical and emotional health and wellbeing through dance
- Arts-based and social-learning
- Half Day, Full Day or Multi-Day Bookings
- Max 35 students per session for safety
- Students should wear comfortable clothing, with the lower body preferably in leggings, track suit pants or shorts
- A classroom teacher must be in attendance during the session

Learning Outcomes

- Students will experience a range of fun and stimulating Dance activities, aligned to the Victorian Curriculum.
- Students will discover that Dance involves creativity and experimentation, teamwork and co-operation and that anyone can dance.
- Learners will explore the potential for their body to communicate and respond to specific ideas. They'll take these ideas from everyday life and transform them in to dance movement. They will manipulate these movements using the elements of dance and choreographic devices.
- Students will have a deeper understanding of the choreographic devices of accumulation, canon, repetition, retrograde and contrast, demonstrated within a choreography.

Tarneit Rise Primary School

Delivery

This dance incursion is best hosted in an open space, where students can easily move with arms outstretched without touching each other.

A smooth ground surface is required. Ideal spaces include a gymnasium or multi-purpose room. A large classroom with furniture moved to the side can also be used for smaller groups. We will work with you to ensure a safe and enjoyable experience.

Half Day Bookings include 2 45-minute sessions

Full Day Bookings include 5 45-minute sessions

Who is Ausdance VIC?

Ausdance VIC is the peak body and subject association for dance in Victoria. We lead the development of dance education resources, training and curriculum development. We offer high quality, innovative learning programs to primary and secondary schools and stimulating professional learning to teachers.
